Ordering

Minimum order: 11 euro pallets for packed goods in every category, filling one 20 ft container.

Bulk Rice: 20 euro pallets, filling one 20 ft container. We recommend 20 ft for bulk rice: a 40 ft container is limited to 27 pallets by weight.

Larger Volumes: For packed goods, a full 40 ft container carries a significantly better unit price. Ask our commercial team for 40 ft pricing.
